

**MountainView/Preserve Lady Niners
PROPOSED BYLAW CHANGE
December 5, 2015**

Re: Article III (Membership and Finances), Section 2a.

Section 2a of the MPLN Bylaws currently reads:

Until SaddleBrooke Ranch has established a ladies nine-hole golf league for residents, MPLN is open to any woman who is a SaddleBrooke Ranch resident or who has contracted for a SaddleBrooke Ranch home and has been through the Design Center process. Once a ladies nine-hole golf league is established, no new SaddleBrooke Ranch women will be accepted, but existing MPLN members may continue their membership.

Proposed Change:

Delete Section 2a in its entirety. Since HOA2 has transitioned and is no longer owned by Robson, reciprocity between SaddleBrooke Ranch and HOA2 has been terminated. Therefore it is not possible for Saddlebrooke Ranch ladies to be a part of an HOA2 golf league.
